MOST MEMBERS OF THE W.H.O. EXPERT COMMITTEE ON SMOKING CONTROL ARE REPORTED PRESENT AND PLANNING TO RECOMMEND ESTABLISHMENT OF A SPECIAL AGENCY TO CONTROL ACTIONS IN DEVELOPING COUNTRIES. A PETITION WAS CIRCULATING TODAY AMONG DELEGATES TO THE FIFTH WORLD CONFERENCE ON SMOKING AND HEALTH TO THAT EFFECT, AND AN ENDORSING RESOLUTION IS POSSIBLE AT TOMORROW'S CONCLUDING SESSION.

TODAY'S OPENING PLENARY SESSION, ATTENDED BY FEWER THAN 300, FEATURED SWEDEN'S RAMSTROM WHO DISPLAYED AN EDUCATION ACTION CHART USEFUL TO ANYONE: 1) IDENTIFY TASKS AND ESTABLISH DATA. 2) SET EVALUATION PRINCIPLES. 3)DEFINE OBJECTIVES. 4)DESIGN PROGRAM. 5)IMPLEMENT PROGRAM. 6) REVISE PROGRAM. HE EXPANDED METHODICALLY ON EACH POINT AND TO THE SURPRISE OF NOBODY HE SAID HIS COUNTRY HAS FOLLOWED THIS SCHEME WITH A RESULTING STRIKING DECREASE IN YOUTH SMOKING. THE POLEMICS EXPECTED OF RAMSTROM WERE ABSENT.

A MALAYSIAN BUDDHIST, TEOH, EXTRACTED FROM AL-AWADI, CHAIRMAN OF W.H.O. 'S EXPERT COMMITTEE, THAT EFFORTS ARE BEING MADE TO MAKE SMOKING UNACCEPTABLE TO ISLAM.

STANDING APPLAUSE TODAY FOR N.Y. MEDICAL JOURNAL EDITOR ALAN BLUM WITH A SOMETIMES HUMEROUS, VITRIOLIC AND EMOTIONAL ATTACK WITH SLIDES AND PARODIES OF CIGARETTE ADVERTISEMENTS.

HIT OF THE DAY (OVERFLOW AUDIENCE, SETTING OF REPEAT SESSION) WAS BLUM'S AUSTRALIAN FRIENDS DESCRIBING THE EXTRA-LEGAL ACTIVITIES OF BUGA-UP (ADVERTISING DEFACEMENT) AND STUNTS, SUCH AS ESTABLISHING A WHEEL-CHAIRED, ELDERLY TRACHEOTOMY PATIENT AS "THE NATIONAL MARLBORO MAN".

IN OTHER SESSIONS:

BBC-TV DID SIX WEEKLY TEN-MINUTE STOP-SMOKING PROGRAMS LAST YEAR VIEWED BY 8,000,000. RESEARCH SHOWED THAT 4 PERCENT OF "RELUCTANT SMOKER" VIEWERS WHO ASKED FOR OFFERED PRINTED MATERIAL HAD QUIT AND NOT STARTED AGAIN A YEAR LATER.

CANADIAN ADDICTION RESEARCH FOUNDATION DID NOT DELIVER THIRD-WORLD TAR-NICOTINE COMPARISON DATA. BEST GUESS IS THAT MEASUREMENT PROJECT FOR W.H.O. IS INCOMPLETE.

AMERICAN CANCER SOCIETY DID NOT DELIVER PROMISED DATA ON COMPARATIVE HEALTH OF LOW-TAR SMOKERS. NO EXPLANATION.

EXPECT PRESS DISTRIBUTION OF RESOLUTIONS/RECOMMENDATIONS TOMORROW MORNING AT 8. FINAL NEWS CONFERENCE SCHEDULED AT 1 P.M. TOMORROW.

Source: https://www.industrydocuments.ucsf.edu/tobacco/docs/#id=

CONFERENCE CHAIRMAN RELEASED TEXT OF HIS WIRE TO WESTERN AUSTRALIA PREMIER CONGRATULATING ON CIGARETTE TAX RISE.

EACH OF SIX SPEAKERS AT A YOUTH EDUCATION SESSION SAID PEER PRESSURE IS THE PRIMARY MOTIVATOR OF YOUTH SMOKING.

ON AN ADMITTEDLY SOMEWHAT CYNICAL NOTE, U.K. EDUCATOR DONALD REID SAID HE WASN'T SURE WHY HIS GOVERNMENT PUT 4 MILLION INTO YOUTH ANTISMOKING EDUCATION BECAUSE KIDS DON'T VOTE, THE INDUSTRY ISN'T BOTHERED, AND YOUNGSTERS WILL SMOKE AFTER ADULT SMOKER EXPOSURE ANYWAY.

ADDENDA FROM WEDNESDAY SESSIONS:

U.K. JOURNALIST MADELEY ESTIMATED THAT TWO AND A HALF ACRES OF TREES ARE CUT TO CURE ONE METRIC TON OF TOBACCO.

WARNER OF UNIVERSITY OF MICHIGAN SAID U.S. QUIT RATES HAVE SAVED 200,000 LIVES 1964-78.

AUSTRALIAN R.W. GIBBERD CLAIMED U.K. HAS MORE LUNG CANCER THAN AUSTRALIA AND CANADA BUT LOWER REPORTED SMOKING OVER THE PAST 20 YEARS AND ATTRIBUTED THE ANOMALY TO ''UNRELIABLE DATA''.

MATTHEW MYERS OF U.S. COALITION ON SMOKING OR HEALTH (MADE UP OF CANCER, HEART AND LUNG ASSOCIATIONS) STATED LEGISLATIVE PRIORITIES: 1) RAISE COST OF SMOKING. 2) ENACT STRONG HEALTH WARNINGS AND ADDITIVE DISCLOSURE. 3) END TOBACCO PRICE SUPPORT PROGRAM SO AS TO DESTROY GROWER-MANUFACTURER LOBBYING COALITION.

KOZLOWSKI OF CANADA'S ADDICTION RESEARCH FOUNDATION URGED PROTECTION OF SMOKERS SUCH AS TEACHING HOW NOT TO BLOCK PERFORATED FILTERS, BUT MET OPPOSITION FROM BLUM WHO CALLED SUCH AN APPROACH A ''NO ISSUE''.

INTERNATIONAL WEEDLESS WEDNESDAY CIGARETTE BONFIRE HELD IN PUBLIC PARK AS PREVIOUSLY ADVERTISED. ABOUT 150 PERSONS FILED PAST A BARREL BONFIRE, TOSSING IN CIGARETTES-- OR TWIGS TO SYMBOLIZE FLUE-CURING DEFORESTATION- AS THEIR NATIONALITIES WERE CALLED OVER A LOUDSPEAKER TO A GATHERING OF ABOUT 250 PERSONS.

EXCERPT FROM HAND-WRITTEN ADDENDUM TO DAUBE SPEECH REPORTED YESTERDAY: ''WHERE DO WE GO FROM HERE? I BELIEVE WE GO TO WAR. WE RECOGNIZE QUITE CLEARLY THAT THIS IS WAR WITH A DETERMINED ENEMY. THE TOBACCO INDUSTRY HAS DEMONSTRATED IN EVERY INSTANCE THAT IT HAS FORFEITED THE RIGHT TO BE REGARDED AS ANYTHING OTHER THAN THE OPPOSITION. THE MERCHANTS OF DEATH ARE THE MANUFACTURERS, AND WE MUST CONFRONT THEM ON EVERY BATTLEGROUND, WHETHER IT BE HEALTH, POLITICAL, SOCIAL, ENVIRONMENTAL, ECONOMIC, OR ANY OTHER''.

JULY 13, 1983

AT A LATE-ENDING SESSION YESTERDAY PLANS WERE DISCUSSED TO INSPIRE HIGHER TAXES AND OTHER ECONOMIC BURDENS ON SMOKERS AND CIGARETTE MANUFACTURERS AS A MEANS TO DISCOURAGE CONSUMPTION.

JOHN BANZHAF, THE VETERAN, ARTICULATE HEAD OF A.S.H. IN THE U.S., TOLD A MEETING OF 45 DELEGATES AT THE FIFTH WORLD CONFERENCE ON SMOKING AND HEALTH THAT THE ANTISMOKING MOVEMENT HAS MET SUCCESS IN ITS HEALTH BATTLE AND ITS SECOND-HAND SMOKE BATTLE, AND MUST NOW ENTER ''THE ECONOMIC BATTLE'' AS A MAJOR THIRD PHASE.

HE SAID TACTICS SHOULD INCLUDE SEEKING HIGHER TAXES AND HIGHER MEDICAL BILLINGS FOR SMOKERS, AND ENCOURAGING MORE LEGAL ACTION AGAINST TOBACCO COMPANIES BY VICTIMS OF SMOKING-RELATED FIRES, SMOKING-ASBESTOS DISEASES, ETC. DR. JOY TOWNSEND OF MIDDLESEX HOSPITAL IN U.K. NOTED THAT LOWER-CLASS AND YOUTH SMOKERS WOULD BE ESPECIALLY VULNERABLE TO RESULTING CIGARETTE PRICE ELASTICITY. THIS WAS ECHOED BY ANOTHER U.S. SPEAKER. AND AN ILLINOIS SPEAKER CALLED FOR ENDING THE ''IMPERIAL ISOLATION'' AND ''SOVEREIGN IMMUNITY'' OF CIGARETTE COMPANIES REGARDING PRODUCT LIABILITY.

MARY THOMPSON OF THE UNIVERSITY OF WATERLOO SUPPORTED THESE TACTICS WITH REFERENCE TO WHAT SHE CALLED HER ''RATHER SOFT'' ESTIMATE OF THE SOCIAL COST OF SMOKING AT 3 BILLION CANADIAN DOLLARS ANNUALLY IN THIS COUNTRY.

THIS MORNING THE LARGEST AUDIENCE SINCE THE OPENING MONDAY HEARD MICHAEL DAUBE OF U.K. EXHORT DELEGATES TO IDENTIFY CIGARETTE COMPANY MANAGERS AND DIRECTORS BY NAME AS BEING PERSONALLY RESPONSIBLE FOR HUNDREDS OF THOUSANDS OF DEATHS. HE CALLED FOR A ONE-THIRD REDUCTION IN SALES IN THE NEXT TEN YEARS, CHALLENGING THE INDUSTRY TO A ''CONFRONTATION'' AND A ''WAR''. HIS PRESENTATION WAS DESCRIBED AS FLUENT, PROFESSIONAL, EVANGELICAL AND EFFECTIVE.

A SESSION ON SMOKING PRACTICES INVOLVED PRESENTATION OF SMOKER-NONSMOKER SURVEY DATA IN SEVERAL COUNTRIES. AN ODD NOTE: A THAI SPEAKER SAID ANTISMOKING CAMPAIGNS ARE EASIER IN MONOPOLY COUNTRIES BECAUSE POLITICIANS AND BUSINESSMEN FIND WAYS OF ''SHARING THE PROFITS''.

AT A SESSION ON COMMUNITY ANTISMOKING PROGRAMS, THE CHAIRMAN AND THREE OF FIVE SCHEDULED SPEAKERS DID NOT ATTEND.

10050649 65

Source: https://www.industrydocuments.ucsf.edu/docs/jkmk0000

AT A DISCUSSION OF PASSIVE SMOKING, UP TO 300 PERSONS HEARD HIRAYAMA OF JAPAN REVIEW HIS HUSBAND-WIFE STUDY, ADDING THAT HE HAS FOUND A SIGNIFICANT RELATION BETWEEN LUNG CANCER IN NONSMOKING MEN WITH SMOKING WIVES, A SIGNIFICANT RELATIONSHIP WITH ISCHEMIC HEART DISEASE (WITHOUT ''PROTECTION'' OF GREEN-YELLOW VEGETABLES AS IN THE CASE OF LUNG CANCER) AND A ''VERY MUCH SIGNIFICANT'' RELATIONSHIP TO SINUS CANCER BASED ON 28 CASES.

U.K.'S PETO FOLLOWED, SPECIFICALLY AND CANDIDLY CRITICAL OF HIRAYAMA'S FINDINGS. HE SAID THE ''CHIEF RELEVANCE OF PASSIVE SMOKING IS POLITICAL, RATHER THAN HEALTH''.

S.GLANTZ OF CALIFORNIA FOUND TOBACCO INSTITUTE ADVERTISEMENTS ABOUT PUBLIC SMOKING TO BE ''RAMPANT'' MISREPRESENTATIONS. SCHMIDT OF GERMANY SAID HE HAS FINDINGS FROM A STUDY OF 792 LUNG CANCER CASES THAT PASSIVE SMOKING IS THE ''MOST LIKELY EXPLANATION'' OF THE ILLNESS IN NONSMOKING WIVES.

IN A GOVERNMENTAL PROGRAMS SESSION, L. AARO OF NORWAY SAID A W.H.O. GOAL IN EUROPE IS 80 PERCENT NON SMOKERS 2000.

JAMES REPACE, A U.S. GOVERNMENT EMPLOYEE WHO HAS FREQUENTLY TESTIFIED FOR PUBLIC SMOKING LAWS, SAID AT A SESSION ON ''THE NONSMOKING ENVIRONMENT'' THAT HE BELIEVES EFFECTIVE VENTILATION CAN ''REMOVE THE THREATS'' OF SMOKE. WILLIAM WEIS, A SEATTLE ACCOUNTING TEACHER, PREDICTED THAT IN FIVE YEARS EMPLOYERS NOT RESTRICTING SMOKING WILL BE THE EXCEPTION.

AT AN ADVERTISING/PROMOTION SESSION, AN AUSTRALIAN ENTERTAINED SOME 90 PERSONS WITH SLIDES DEPICTING BUGA-UP ALTERATIONS OF CIGARETTE ADVERTISEMENTS. K.KHER, RESEARCH DIRECTOR FOR THE PENANG CONSUMERS ASSOCIATION, REPORTED 500,000 HEROIN ADDICTS IN THE MALAY POPULATION AND SAID SMOKING LEADS TO HEROIN ADDICTION.

IN ANOTHER MEETING, C.A.BIRT OF U.K. SAID A MULTIDISCIPLINARY WORK GROUP HAS WON DEPARTMENT OF HEALTH SUPPORT FOR A COMMUNITY-LEVEL PROGRAM TO RESTRICT SMOKING, PREVENT THE START OF SMOKING, AND HELP QUITTERS, AND ENVISIONS SUPPORT OF A.S.H. FOR THE PROJECTS.

RAVENHOLT OF THE U.S. GOVERNMENT'S NATIONAL INSTITUTE ON DRUG ABUSE, DECLARED THAT CIGARETTE SMOKING IS THE ''MOST SERIOUS AND WIDESPREAD FORM OF ADDICTION IN THE WORLD''. THE CO-AUTHOR OF HIS PAPER IS WILLIAM POLLIN, DIRECTOR OF THE AGENCY. BUT AT ANOTHER SESSION AN INTERNATIONAL PANEL APPEARED TO AGREE THAT NICOTINE DEPENDENCE IS DIFFICULT TO ASSESS, THAT THERE IS CONFUSION AS TO WHETHER NICOTINE WITHDRAWAL CAN BE DEMONSTRATED EXPERIMENTALLY AND THAT MORE RESEARCH IS NEEDED.

(NOTE: PLEASE PHONE CANADA AREA 204 949-0571 TO REPORT ANY NEWS COVERAGE OF THE CONFERENCE. GOODNIGHT.)

DAILY SUMMARY TUESDAY

WINNIPEG MANITOBA

JULY 12, 1983

SOLE SPEAKER AT THE PLENARY SESSION OF THE FIFTH WORLD CONFERENCE THIS MORNING WAS KJELL BJARTVEIT OF NORWAY, THE WELL-KNOWN W.H.O. AND I.U.C.C. ANTISMOKING ACTIVIST. HIS ESSENTIAL MESSAGE: SMOKING IS NOT A MEDICAL-SCIENTIFIC PROBLEM, BUT A POLITICAL ONE WHICH MUST BE SOLVED BY UNIVERSAL LEGISLATION.

ONLY SOME 300 DELEGATES WERE SCATTERED IN THE HUGE HALL. BJARTVEIT TOLD THEM TO LOBBY STRONGLY FOR CIGARETTE ADVERTISING BANS, PACKAGE AND AD WARNINGS, SUBSTANCE DISCLOSURE, LIMITING RETAIL OUTLETS AND HOURS, IMPOSING AGE LIMITS, RESTRICTING CIGARETTE CONTENTS AND RAISING TAXES. HE CALLED HEALTH MINISTERS CALIFANO OF U.S. AND YOUNG OF U.K. ''POLITICAL HEROES'' BECAUSE EACH WAS FIRED OR REASSIGNED AFTER CAMPAIGNING AGAINST TOBACCO. HE WON A STANDING OVATION.

A MEETING LAST NIGHT FEATURED ONE INDIAN AND THREE U.S. ANTISMOKERS BEING QUIZZED BY FOUR CANADIAN REPORTERS. MICHAEL PERTSCHUK, MEMBER OF THE U.S. FEDERAL TRADE COMMISSION COUNTERING PREVAILING WISDOM HERE, SAID THE ANTISMOKING OBJECTIVE SHOULD BE DISEASE REDUCTIONS, ''NOT RETRIBUTION AGAINST THOSE WITH AN ECONOMIC STAKE IN TOBACCO. ''AND HE URGED THAT OPPOSITION BE DROPPED TO TOBACCO PRICE SUPPORT PROGRAMS WHICH RESTRICT TOBACCO PRODUCTION.

ANDREW MCGUIRE, A PROPONENT OF ''SELF-EXTINGUISHING'' CIGARETTES, SHOWED A SLIDE PHOTO OF A CEMETERY AND REMARKED THAT SMOKING ASSOCIATED DISEASES AND CIGARETTE FIRE DEATHS TOGETHER ACCOUNT FOR ONE-FIFTH OF ALL GRAVESITES. HE URGED DELEGATES ''TO GO AFTER CIGARETTES AS A FIRE CAUSING AGENT.''

A CANADIAN REPORTER TURNED ADVOCATE CALLED FOR ''AN ALL-OUT WAR'' AGAINST THE TOBACCO INDUSTRY AND SAID ''THERE MUST BE CASUALTIES.'' PERTSCHUK TOOK ISSUE WITH THAT. ANOTHER REPORTER SAID SHE SMOKES, DOES NOT AGREE THAT SMOKERS ARE IGNORANT AND GULLIBLE, AND ''IF YOU ARE AT WAR, YOU ARE AT WAR WITH ME.''

A MINNESOTA LEGISLATOR COMPLAINED THAT HER STATES' SMOKING RESTRICTION LAW IS TOO WEAK, SAID SMOKING SHOULD BE PERMITTED ONLY AMONG CONSENTING ADULTS IN PRIVATE, AND HIT THE CONFERENCE LOW POINT BY COMPARING SMOKING BEHAVIOR TO SODOMY.

THE INDIAN SPEAKER DELIVERED A TIRADE AGAINST CIGARETTE ADVERTISEMENTS, SHOWING SEVERAL ON SLIDES.

THE REST OF TODAY'S SCHEDULE WAS HEAVY -- ELEVEN CONCURRENT SESSIONS IN THE MORNING AND A DOZEN IN THE AFTERNOON. TEN ACTIVISTS FROM THE U.S., CANADA, U.K. AND SWITZERLAND AGREED AT ONE LIVELY STANDING-ROOM-ONLY SESSION THAT SMOKING/HEALTH IS A ''DEAD'' ISSUE AND NONSMOKER RIGHTS WILL PREVAIL IF PUSHED HARD ENOUGH. FROM THE AUDIENCE TWO PERSONS TOOK BOWS-- TAKESHI HIRAYAMA OF JAPAN AND STANTON GLANTZ OF CALIFORNIA, WHO IS CREDITED WITH ILLICIT DISTRIBUTION OF THE U.K. TV PROGRAM, ''DEATH IN THE WEST.''

A SMOKING / RELIGION PANEL, CHAIRED BY AN EGYPTIAN MOSLEM AND CONSISTING OF A CANADIAN RABBI, A U.S. SEVENTH DAY ADVENTIST, A U.K. ARCHBISHOP, AND A U.S. MORMON, LINKED SMOKING TO THE JUDAIC SUICIDE STRICTURE, TO THE MORMONS' DEFILING OF THE BODY TEMPLE, TO VARIOUS INCONCLUSIVE INTERPRETATIONS OF ISLAMIC STUDIES, AND SO ON. THOUGH THIS WAS BILLED AS A MAJOR THRUST OF THE CONFERENCE, ONLY 14 DELEGATES ATTENDED.

CHAIRMAN MIKE MULLER OF MOZAMBIQUE AND ONE SPEAKER, A U.K. FREELANCE JOURNALIST, AT A SESSION ON LEAF GROWING IN DEVELOPING COUNTRIES, SCOLDED F.A.O. FOR ITS SUPPORT OF TOBACCO AS A VIABLE CROP. THE JOURNALIST, J. MADELEYJ.NADELEY

WHO ALSO IS CORRESPONDENT FOR THE LONDON OBSERVER, SAID RUNOFF OF TOBACCO PESTICIDES IS KILLING 60,000 PERSONS PER YEAR. HE DEPLORED WOOD-CURING OF TOBACCO, SAYING KENYA WILL HAVE NO TREES BY 2000. ATTENDANCE AT THIS SESSION AS WELL AS OTHERS DEALING WITH THE THIRD WORLD WAS VERY SLIGHT. TWO DELEGATES VOCALLY CONTESTED THE SPEAKERS' TOBACCO-VERSUS-FOOD-GROWING ARGUMENTS, POINTING OUT THAT HUNGRY PEOPLE HAVE NO LAND TO GROW EITHER CROP. (SECTION 14 OF INFOTAB INDEXED FOLDER PROVIDES RESPONSES TO THESE POINTS.)

IF THERE IS ANY OBSERVED EFFECT OF SMOKING, IT WILL HAVE BEEN REPORTED HERE BY THE END OF THE WEEK. EXAMPLES OF NEW FINDINGS REPORTED TODAY: AMONG JAPANESE CIVIL SERVANTS, URINATION AT MIDNIGHT DECREASES WITH AMOUNT SMOKED AND INCREASES WITH SMOKING CESSATION, HOWEVER, BACK PAIN AND CHEWING DIFFICULTIES ARE ASSOCIATED WITH SMOKING.

ONE MEETING HAD 21 CHAIRS FILLED AND 915 EMPTY. IT BEGAN 18 MINUTES LATE, ENDED 32 MINUTES EARLY, AND TWO SPEAKERS FAILED TO ARRIVE. GENERALLY TODAY, BOTH SPEAKER AND AUDIENCE ATTENDANCE SEEMED SPORADIC. IN ONE MEETING, ONLY THE SPEAKERS ATTENDED.

AT A SMOKING/WOMEN MEETING, M.SEXTON OF THE UNIVERSITY OF MARYLAND SAID SHE WILL PUBLISH IN J.A.M.A. LATER THIS YEAR FINDINGS WHICH INDICATE THAT MOTHERS ESPECIALLY URGED TO STOP SMOKING DURING PREGNANCY GAINED MORE WEIGHT, DELIVERED HEAVIER BABIES, AND HAD MORE URINARY INFECTIONS THAN MOTHERS NOT STRENUOUSLY TREATED.

A SESSION ON SMOKING RESEARCH METHODOLOGY WAS SERIOUS AND COMPARATIVELY DEVOID OF PROPAGANDA. THE PANEL AGREED THAT SMOKING IS GENERALLY UNDERREPORTED, PARTICULARLY BY YOUTH, IN QUESTIONNAIRE RESPONSES.

VENUE FOR THE SIXTH WORLD CONFERENCE (1987) WILL BE ANNOUNCED FRIDAY. COMPETING FOR THE PRIVILEGE ARE ISRAEL, YUGOSLAVIA, EGYPT, JAPAN, COLOMBIA AND ITALY, ACCORDING TO AN ISRAELI DELEGATE.

ONE OF THE MOST POLEMIC MESSAGES WAS GIVEN BY FREDERICK CLAIR-MONTE OF U.N.C.T.A.D., BUT WAS RELEGATED TO A SO-CALLED BROWN BAG LUNCH MEETING. HE REVIEWED (AND DEPLORED) THE HISTORY OF CAPITAL ACCUMULATION BY THE MULTINATIONAL ''SEVEN SMOKING SISTERS.'' HE SAID THEIR MULTIBILLION - DOLLAR POWER ENABLES THEM TO CONTROL MARKET ENVIRONMENTS, RESEARCH DIRECTIONS AND MEDIA. HE APPEARED WITH LARS RANSTROM OF SWEDEN, ANOTHER OLD ANTISMOKING HAND, WHO PRESENTED A LABORIOUS HISTORY OF W.H.O. ANTISMOKING PROGRAMS IN DEVELOPING NATIONS.

SEVEN INTERNATIONAL ORGANIZATIONS- W.H.O., UNESCO, ETC. -- SHOWCASED THEIR ANTISMOKING ACTIVITIES BUT THE SPEAKERS ONLY HAD AN AUDIENCE OF 30 AND NOTHING NEW WAS PRESENTED.

THE AMERICAN CANCER SOCIETY, WHICH HAD ANNOUNCED INTENT TO DISCLOSE EARLY RESULTS OF A STUDY OF LOW-TAR SMOKERS, DID NOT DO SO.

CANADIAN PRESS ASSOCIATION JOINED THE LIST OF MEDIA REGIS-TRANTS, GIVING RISE TO POSSIBLE NEWS WIRE SERVICE PICKUPS OUTSIDE CANADA.

(THERE IS SOMETHING WE CHERISH ABOUT THIS QUOTATION FROM A MONITOR'S REPORT: -''A WOMAN IN HER 50'S ATTEMPTED TO ASK SOME QUESTIONS WITH REGARDS TO TOBACCO ADVERTISING AND WAS CURTLY TOLD BY THE CHAIRPERSON THAT TIME HAD EXPIRED. THE WOMAN PERSISTED AND WAS FINALLY TOLD BY THE NONE-TOO-GENTLE CHAIRPERSON TO RETURN TO HER SEAT. THE SESSION THEN ADJOURNED FOR FIVE MINUTES OF AEROBIC EXERCISE.'' GOODNIGHT).

MR WILL DWYER 11

WINNIPEG MANITOBA , JULY 11, 1983

SOMEWHAT SUBDUED BY CAVERNOUS SURROUNDINGS OF A 6,000-SEAT CONVENTION HALL, SOME 700 PERSONS SAT IN FOLDING CHAIRS AT THE OPENING SESSION TODAY OF THE FIFTH WORLD CONFERENCE ON SMOKING AND HEALTH.

MONIQUE BEGIN, CANADA'S HEALTH MINISTER, BEGAN WITH A SOMEWHAT LOW-KEY, UNEMOTIONAL SPEECH, FOLLOWED BY A MESSAGE READ FOR WHO'S MAHLER, WHO DID NOT ATTEND, AND BY A PASSIONATE SPEECH BY UK'S SIR GEORGE GODBER.

BEGIN DISCUSSED SMOKING AS A CAUSE OF ILLNESS, WORK ABSENCE AND DEATH, SMOKING TRENDS AMONG MEN, WOMEN AND YOUTH, HER DESIRES FOR FURTHER SELF-REGULATION BY INDUSTRY, HER INTEREST IN THE CONSTITUENT YIELDS OF CIGARETTES, AND THE PROBLEM OF PASSIVE SMOKING. SHE DISCLOSED AT A NEWS CONFERENCE AFTERWARD THAT SHE HAS QUIT SMOKING ''BUT AT TIMES I'M STILL A SINNER''.

SIR GEORGE REVIEWED 33 YEARS OF THE SMOKING CONTROVERSY, ATTACKING MULTINATIONAL CIGARETTE COMPANIES AS THE ''MAIN SUPPORT OF THE CONTINUED PREVALENCE OF SMOKING DISEASES.'' HE PRAISED THE SERIES OF WORLD CONFERENCES, AND CONDEMNED THE CIGARETTE AS ''THE MOST LETHAL INSTRUMENT DEVISED BY MAN FOR PEACETIME USE.'' HE MENTIONED RECOGNITION OF NICOTINE ADDICTION AS AN ACHIEVEMENT IN RECENT YEARS.

IN MAHLER'S BRIEF MESSAGE, PRESENTED AGAINST ACOUSTICAL DIFFICULTY BY DR. MASERONI, CHAIRMAN OF THE WHO SMOKING COMMITTEE, THERE WAS AN EVANGELICAL TONE. ''WHENEVER PEOPLES' HABITS CONFLICT WITH THEIR HEALTH,'' IT SAID. ''IT IS THE DUTY OF THOSE WHO UNDERSTAND THE DANGER TO WARN THOSE WHO MAY NOT.''

MAHLER SAID THE NUMBER OF COUNTRIES WITH SMOKING CONTROL LEGISLATION HAS RISEN FROM 20 TO 60 IN SEVEN YEARS. HE CALLED SMOKING ''ONLY ONE SYMPTOM OF A BROADER SYNDROME OF UNHEALTHY LIVING'' AND SUGGESTED THAT ''THE OPIUM WAR OF THE MID-NINETEENTH CENTURY COULD ACT AS A PROVOCATIVE REMINDER OF HOW TO FIGHT ''TOBACCO NEO-COLONIALISM.''

AFTER A KEY PLENARY SESSION ON SMOKING IN DEVELOPING COUNTRIES, AN OBSERVER REPORTED THAT A VALUABLE OPPORTUNITY TO DRIVE HOME THE ATTACK ON TOBACCO INDUSTRY OPERATIONS WAS MISSED. D. FEMI-PEARSE OF LAGOS, THE PRINCIPAL SPEAKER, DID ASSERT INDUSTRY EXPLOITATION OF WOMEN, AMONG OTHER CRITICAL REMARKS, BUT WAS OBJECTIVE IN MENTIONING BENEFITS OF TOBACCO AGRICULTURE. AN INDIAN SPEAKER SEEMED MORE CONCERNED ABOUT HER GOVERNMENT'S RELUCTANCE TO MOVE AGAINST THE BIDI COTTAGE INDUSTRY WHICH EMPLOYS TWO MILLION PERSONS.

1005064970

Source: http://www.industrydocuments.ucsf.edu/docs/jkmh0000

NIGEL GRAY, AN OUTSPOKEN AUSTRALIAN, DELIVERED A [illegible] TO THE PLENARY SESSION, COMPARING EMPLOYMENT IN THE TOBACCO INDUSTRY TO WORKING IN THE HEROIN BUSINESS. HE ALLEGED HIGHER TAR-NICOTINE YIELDS IN SINGAPORE THAN FOR IDENTICAL BRANDS IN AUSTRALIA. HE ENCOURAGED NATIONAL HEALTH LOBBIES TO COPE WITH THE ''IMMORALITY OF THE TOBACCO INDUSTRY''.

JESSE STEINFELD, A FORMER U.S. SURGEON GENERAL, TOLD DELEGATES HE IS NOT A POLITICAL ACTIVIST BUT DID SUGGEST THAT THE CIGARETTE COMPANIES OUGHT TO HELP TOBACCO GROWERS FIND PROFITABLE ALTERNATIVES. MOST OF HIS SPEECH WAS A REHASH OF SURGEON GENERALS' FINDINGS.

HENRY BLACKBURN OF THE UNIVERSITY OF MINNESOTA, PRAISING RESULTS OF COMMUNITY-WIDE SMOKING CESSATION PROJECTS, DIRECTLY CRITICIZED THE ''MEDICAL MODEL'' APPROACH TO CESSATION - AN INTERESTING POINT IN VIEW OF INCREASING NUMBERS OF ''INTERVENTION TRIALS'' THROUGHOUT THE WORLD.

A PRESSROOM STAFF MEMBER TOLD AN OBSERVER MOST SCHEDULED SPEAKERS ARE ''FANATIC EGOMANIACS''. THE PERSON ALSO SAID CONFERENCE OFFICIALS HAVE LEARNED THAT THREE BUGA-UP MEMBERS FROM AUSTRALIA WOULD RATHER BE ARRESTED FOR LOCAL CIGARETTE HOARDING DEFACEMENT THAN TO MAKE THEIR CONFERENCE PRESENTATION LATER IN THE WEEK.

THERE WAS LITTLE EXERCISE AT TODAY'S ''EXERCISE AND NUTRITION BREAK'', BUT HEAVY CONSUMPTION OF FREE FRUIT AND MUFFINS.

THE MAJOR LOCAL NEWSPAPER RAN A FRONT PAGE STORY THIS MORNING, HEADLINED ''TOBACCO TOO VALUABLE TO BAN, UN REPORT SAYS''. IT SAID DATA ON PRODUCTION AND TAXATION IN THE REPORT IS ''HOLDING NO COMFORT FOR ANTI-TOBACCO FACTIONS''.

IN A RADIO INTERVIEW, DANIEL HORN, FORMER HEAD OF THE U.S. OFFICE ON SMOKING AND HEALTH, SAID 85 PERCENT OF SMOKERS CAN QUIT IF THEY WISH BECAUSE THE MODERN CIGARETTE IS NOTHING MORE THAN WARM SMOKE, THUS IN EFFECT CHALLENGING THE ADDICTION HYPOTHESIS.

PRESSROOM REGISTRATION INCLUDES THE LONDON OBSERVER, WASHINGTON POST, CHARLOTTE (U.S.A.) OBSERVER AND VARIOUS CANADIAN MEDIA, BUT DOES NOT INCLUDE ANY NEWS WIRE SERVICE.

COINCIDENTALLY, THE MANITOBA INTERAGENCY COUNCIL ON SMOKING AND HEALTH WON A FAVORABLE VOTE IN THE ENVIRONMENT COMMITTEE OF THE WINNIPEG CITY COUNCIL FOR A STRICT BYLAW REQUIRING NONSMOKING SECTIONS IN RESTAURANTS.

(THIS ENDS OUR REPORT FOR TODAY. WE NOTE WITH PLEASURE THE DILIGENT WORK OF OUR MONITOR TEAM, AND BID YOU GOODNIGHT).

CONFERENCE COVERAGE WILL BE COMPLICATED BY THE SCHEDULING OF MORE CONCURRENT SESSIONS THAT WAS THE CASE AT THE 1979 FOURTH WORLD CONFERENCE IN STOCKHOLM.
CONFERENCE SESSIONS WILL BE INTERSPERSED WITH SO-CALLED ''EXERCISE AND NUTRITION BREAKS''. ON WEDNESDAY EVENING DELEGATES AND THE PUBLIC THROUGH NEWSPAPER ADVERTISING, HAVE BEEN INVITED TO JOINT IN A ''WEEDLESS WEDNESDAY'' CELEBRATION, TO THROW CIGARETTES INTO A BONFIRE IN A PARK.

EARLY THIS MORNING SOME 80 LOCAL CITIZENS SHOWED UP FOR A ''LUNG RUN'' WITH ONE OR TWO CONFERENCE DELEGATES JOINING THEM TO COMPETE OVER FIVE AND TEN KILOMETER COURSES FOR A ''SUPER LUNG'' PRIZE. THE STARTER WAS THE EDITOR OF THE WINNIPEG SUN, AN ANTI-SMOKER WHOSE NEWSPAPER WAS NOT PUBLISHED UNTIL NOON TODAY DUE TO TECHNICAL DIFFICULTIES.

ADVANCE LOCAL NEWS COVERAGE HAS BEEN SCANT. THE SUNDAY TIMES OF LONDON TODAY CARRIED A LENGTHY STORY UNDER THE HEADLINE, ''ANTISMOKERS SWITCH TO THIRD WORLD.'' ITS TONE WAS TO THE EFFECT THAT THE CONFERENCE IS AN ATTACK GROUND AGAINST THE TOBACCO COMPANIES RATHER THAN STEP TOWARD IMPROVED HEALTH. IT SAID THAT THE ANTISMOKING ''CAMPAIGNERS WILL BE CLOSELY MONITORED BY SPIES FROM THE INDUSTRY WHOSE FUTURE PROSPERITY LIES IN COMBATTING THE CEASELESS PROPAGANDA FROM THE ANTISMOKING LOBBY. ESPIONAGE AND COUNTER-ESPIONAGE ARE NOT NEW TO THE TOBACCO DEBATE''

TORONTO'S SUNDAY STAR HEADLINES A MAJOR ARTICLE ABOUT THE CONFERENCE, ''TOBACCO GIANTS EXPLOIT THIRD WORLD, US SAYS.'' (UN MEANT WHO). THE ARTICLE SAID THAT ''THE SEVENT COMPANIES THAT DOMINATE WORLD-WIDE CIGARETTE PRODUCTION ARE FLOODING AFRICAN, ASIAN AND LATIN AMERICAN MARKETS WITH FAMILIAR BRANDS OF CIGARETTES THAT CONTAIN DOUBLE THE DOSES OF NICOTINE AND TAR ADVERTISED IN NORTH AMERICA.''
IT ATTRIBUTED TO THE U.S. GOVERNMENT A STATEMENT THAT CIGARETTE SMOKING IS AN ADDICTION.

IN THE WINNIPEG SUNDAY SUN, THE ONLY REFERENCE TO TOBACCO WAS IN A FEATURE ABOUT HOW THE LEAF WAS GROWN, USED AND TRADED BY A LOCAL INDIAN TRIBE BEFORE EUROPEAN EXPLORATION HERE. ITS AUTHOR:MARGARET THOMPSON, LOCAL LUNG ASSOCIATION ACTIVIST.

(THIS CONCLUDES YOUR TEAM REPORT FOR JULY 10. RECIPIENTS ARE REQUESTED TO TELEPHONE THE TEAM OFFICE AT CANADA AREA CODE 204 949-0571 TO REPORT ANY OBSERVED MEDIA COVERAGE OF THE CONFERENCE. THANKS AND GOOD NIGHT.)
